

TobeyRenee

The Artist

As an artist, TobeyRenee's creative journey mirrors the delicate unfolding of a late-blooming flower. Born and raised in the vibrant city of Atlanta, she spent over two decades honing her craft as a Decorative Artist, meticulously refining her faux finish techniques, and eventually weaving them into a captivating tapestry of contemporary art.

TobeyRenee embarked on her creative journey in 1997 when she founded FauxDecor Design Studio—a distinguished decorative painting company specializing in custom faux finishes for residential and commercial spaces. Driven by a revelation, she realized that sharing her artistic gifts with the world infused her work with profound purpose. In 2010, she began teaching hands-on classes to pass on her craft.

In 2018, she revolutionized the industry by launching "FauxWithThePro," a series of online decorative painting workshops. These transformative labs empowered aspiring entrepreneurs of all genders to establish their own successful decorative painting businesses. Building on this momentum, she established "The Decorative Painting Academy" in 2021, democratizing decorative painting training for a broader audience. The Academy is a comprehensive certified training program for people who want to learn a new skillset, start a business, increase their income and create the life they want to live.

TobeyRenee's legacy lies in inspiring countless individuals to turn their passion for art and design into a fulfilling livelihood. But her artistic odyssey transcends mere aesthetics. She is an alchemist of energy, infusing her creations with the healing properties of stones and crystals. These ancient treasures, hewn from the very fabric of the Earth, hold within them a profound resonance—a symphony of healing vibrations that resonate with our souls.

Each stone she applies is imbued with intention, drawing upon the wisdom of these mineral allies.

Stones and crystals are her silent collaborators, whispering secrets of balance, harmony, and restoration. TobeyRenee's art is a sanctuary, a sacred space where healing energies converge. For her signature style is not merely pigment on canvas; it is a vessel for transformation. Let her art be your mirror, reflecting the luminous threads that bind us all—a testament to the resilience of the human spirit and the eternal dance of energy.
