

# Randy Preston BIO

<http://randypreston.com/>

Randy Preston is a singer-songwriter, educator, and storyteller who grew up on 3 continents. Raised in England and Kenya, he gained a deep appreciation for the lore, the myths, and the legends of the places he has lived. Most recently, Preston has been fascinated with stories and songs of his grandmother's tribe, the Piscataway people, a Native American tribe local to Maryland, and Northern VA. For the past two years, Preston has been touring with Kwame Alexander visiting schools and special events to entertain and engage people through catchy music and interactive storytelling. He's written original songs for Kwame's latest novels in verse REBOUND and SOLO.
